

Gilmore International Piano Festival

2024 Fellowship Program

Kalamazoo, Michigan, USA

Today's successful artists need to know much more than the music.

The Gilmore Festival Fellowship is a tuition-free, five-day immersive experience focused on the art, the business, and the person. Learn to navigate the industry, build your audience, and expand your network of peers and collaborators – while you build your skills and find your artistic voice. The supportive, professional environment is designed to cultivate the whole artist, through mentorships, master classes, Festival performances, and networking.

What's included: • Master classes with Festival artists • Lessons and coaching with resident artist teachers • Lectures and workshops on entrepreneurship, marketing, and more • Tickets to Festival performances and events • \$500 stipend for travel, lodging, and meals • Full tuition valued at \$1,200

Application deadline Dec. 17, 2023 • Accepted Fellows contacted Jan. 19, 2024
